MAY 1ST-5TH 2022

WE NEED YOU! Help the City of Milford re-energize the heart of the community by adding a fun-for-all-ages Splash Pad to the Uptown Park. A very generous donation has been made towards the project but our attempt to supplement with a Land and Water Conservation Grant was **denied.** Our hope is that generous people like you will join us in an effort to bring a **free** feature to our community that enhances physical exercise, laughter, and family togetherness.

Matching funds help increase your donation! Give online or at Pizza Kitchen, Jones Bank, or the City of Milford Office.
