FINANCIAL/BUDGET REPORT:

- The financial report was presented by Bev Wehrs. The budget sheet was passed around for review.
- Jeff Baker reported about the Senior Center budget and about how money is received and spent.
- Basically most money raised by the Senior Center is placed in the City's general fund. Memorial money goes into an account known as the 24-account. The 24-account fund is money that can be used at the discretion of the Senior Center Board. All other money can be spent by the board but must be budgeted and approved by the City Council.
- Donations this month were \$83.00. There was no income from rentals of the buildings, fund raising or memorials.

#### OLD BUSINESS:

- There was some discussion about bringing the memorial plaque up to date.
- A new memorial plaque has been ordered. It will be mounted in the atrium with the others.

#### NEW BUSINESS:

- Due to the musty smell in the basement (mold) we have put the humidifier setting at 35% relative humidity. This should clear out moisture in the basement.
