**REPORTS OF OFFICERS, BOARDS AND COMMITTEES:** Written reports received were Housing Authority minutes for March 12, 2001; Library Board minutes for February 22, 2001; Planning & Zoning minutes for March 20, 2001; Police Dept. Activity Report for March 2001; Pool Board minutes for March 24, 2001 and March 31, 2001. Cooper - Some of the alleys are in disrepair and Mark Frey will be working on these in the near future. Burroughs -2 new lights, including new steel poles and 1000 watt fixtures will be placed at the swimming pool this spring. Cost of the project is \$8,000 which is within the budget. This addition will allow pool parties to be scheduled between 8:00 - 10:00 pm. Burroughs also noted that the ball diamonds are being prepared for the summer season. Neal – Library Technology Team has completed the ERATE Technology Grant. Waiting to see if it is approved. Fortune – Problems have arisen with the water tower. Test results of the exterior paint at the water tower show it is lead based. This could increase the project cost 30 to 40,000 dollars. The test is being run again to confirm the findings. An option might be to paint over the existing paint instead of grinding. Fortune noted he had met with Gene Kremer regarding the auxiliary motor for the well at Welch Park in case of an emergency. Frey has not fired this engine up yet to see how it works. Frey mentioned the motor may take priority over the water tower. They are waiting to get some figures to see if the water dept. budget will be able to handle both projects. Fortune - Letter has been received from EPA stating "we will" proceed with the regulations of the arsenic and lead levels. City will be meeting with an engineer shortly to work on a plan regarding the lead & copper issue. Chief Siebken – Monthly report showed 847 total calls. Received block grant from the Crime Commission of \$1059.00 and with matching funds purchased a digital aid camcorder. Siebken reported on the properties in Grover that are violation of the nuisance ordinance. Pictures of the properties were presented to the Council and Chief asked them if they were interested in viewing the tape of the property in January and comparing it with the photos. Chief Siebken noted that little to no progress had been made on any of the properties. John Imig, being present, wanted to let the Council know that he had moved approximately 5 vehicles from his property before the equipment broke down to continue this effort. Chief Siebken will keep the Council updated.

**COMMUNICATIONS:** Sales tax received for the month of January 2001 was \$11,282.19. Results from the 2000 Census showed Milford with a 9% increase, from 1886 to 2070.

**PUBLIC HEARING – CITIZEN ADVISORY COMMITTEE:** Mayor Plessel opened the public hearing at 7:45 pm. Dave Whitney presented a profit and loss report for the Milford Economic Development Committee. Report showed payments to S.C.C. students for their work on the web page. Burroughs inquired about the funds available. Whitney stated that there was \$9,000 at the end of the fiscal year and they were working with a budgeted amount of \$10,000. Whitney felt there was a substantial amount and noted that the committee is cautious with their spending. Whitney also noted that his time had been limited on soliciting businesses, but the committee had elected Dean Bruha as their primary director in promoting business to Milford. A prospect had approached Milford 2 weeks ago. The facility was toured but they have not heard back from them. With no further comments the public hearing was closed at 7:48 pm.
