REPORTS	OF OFFICERS, BOARDS AND COMMITTEE	ES: Writte

REPORTS OF OFFICERS, BOARDS AND COMMITTEES: Written reports received were Housing Authority minutes for 7/12/99 meeting and notice of 8/9/99; Planning and Zoning minutes for 7/19/99. <u>Fortune</u> reported that the lift stations are in need of being replaced. Plans to replace one of them would be worked into the 99/00 budget. <u>Burroughs</u> informed council

of a boiler inspection, which was completed by the State of NE. One of the boilers was condemned and several items need to be repaired in different areas. The paint at the pool is beginning to chip; maintenance crew will sandblast prior to painting next year. Cooper reported on bridge (Cloy Stutzman and D.Q.) progress. S.C.C. Design Class would be interested in potential drawings for the bridge. The designs will then be looked at and then an estimated cost will be needed. Council can then decide if this is something they want to proceed with. S.C.C. Welding Dept. would like to work on the project.

A curb cut has been done at Larry Meyer's property to allow drainage and Cooper felt continuing curb cut to the east would be appropriate to help situation. Flow line needs to be lower than his property.

Fred Schlegel approached Cooper regarding height of curb in front of his store at 1st & "B". Schlegel was interested in an accessible ramp for anyone with a disability. An estimate from Troyer Concrete was presented for replacement of curb & gutter.

Burdette Boshart has completed painting of all interior walls at the Fire Station. Cooper is working with Brad & Roxanne Roth to clean carpets.

COMMUNICATIONS: Sales tax received for the month of May 1999 was \$10,786.82. Bruha was contacted by Mark Saltzman–Milford Plumbing who expressed his interest in purchasing a portion of the vacant uptown lot. Transaction between the City and Dunlap has not yet been completed. The survey shows this area as 3 lots. Meierdierks – Sister Act are also interested in a portion of this property. Blevens noted that Gerry Dunlap's interest was only to make sure the property would bring a reasonable price. Dunlap would probably be interested in signing over contracts to the individuals.

NEW BUSINESS: Merlyn Davids/Sheri's – Beer Garden, 121 N. State Hwy: On August 21, 1999 in conjunction with the Milford Family Fun Days, a request for a beer garden from 10:00 a.m. to 12:00 midnight was made by Merlyn Davids. An area 44' x 44' south of the building would be fenced off with a 6' plastic construction fence. Live entertainment and karaoke will be provided. A motion was made by Fortune and seconded by Bockoven to approve the beer garden. Roll call vote: Fortune yes, Bockoven yes, Burroughs yes, Cooper yes. Motion carried.

<u>Larry Jantze – Thornridge Detention Pond:</u> Jantze has the opportunity to sell Lots 1 & 2 on Thornridge Acres Dr. Lot 1 has an easement for a detention pond. Jantze had an Engineering firm re-evaluate the detention pond and presented this information to the Planning & Zoning Commission. The cell could be moved further to the west but then it would encroach onto another lot. Regarding Larry Meyer's property, the Planning & Zoning

Commission recommended that Jantze get a letter from the Engineering Firm to the effect that the drainage system as it has been designed falls with in the guidelines of the Nebraska Drainage laws and the drainage system will not defer waters which would exceed any other direction onto any other adjacent properties. This action was to minimize any liability to the City or the developer. It was also noted that there has been run-off from Jantze's other developments causing mud to flow onto the streets. Bruha noted that siltation screens needed to be installed. An earthen structure was mentioned to prevent any further drainage problems to the north. Fortune asked if Jantze had been billed for the curb cuts? It was noted that Meyer did not have this problem before the addition. Cooper inquired as to whom changed A meeting between Larry Meyer, Vilas Stutzman, Keith the grades. Heckman, Dennis Stutzman and Les Schweitzer needed to try to solve the problem of the run off. It was noted that trees, etc need to be removed and cleaned out before detention pond is moved. Fortune felt that this pond is Jantze's and he should take care of it.

Approve Initial Webermeier Scholarship Orders: There are 29 scholarships available with an annual amount of \$724.00 going to each student. A motion was made by Bockoven and seconded by Cooper to approve the initial order for the Webermeier Scholarships. Roll call vote: Bockoven yes, Cooper yes, Burroughs yes, Fortune yes. Motion carried.

<u>Proposals for Design – State Street through S.C.C.</u> Al Hatavy and LeRoy Gerard with Kirkham Michael expressed their concern with some unique items. They felt it was necessary to align the intersection on the south end. The county project would be let in December. It would take 45 days to get ready for bid. Phasing will be a big issue with the college in session. They presented 2 designs. A traffic study will be done to see if a light system for pedestrians would be necessary. It was suggested that we apply for federal aid funds in December for Street Scape.

Bill Stone with Olsson Associates presented three options with all three being fairly close in cost. Some ideas were raised crosswalk (speed hump) and the boulevard approach with green space. It was noted that the estimates of fees and time frame were listed in proposals. The recommendation would be that this is started next spring or summer. It should take from 2 to 4 months. Following the presentations a motion was made by Fortune and seconded by Burroughs to use Olsson Associates as the engineer for the street project through Southeast Community College. Roll call vote: Fortune yes, Burroughs yes, Bockoven yes, Cooper yes. Motion carried.

<u>Bidding on SCC Ball field lights:</u> A set of ball field lights from the S.C.C. has been taken down and will be up for auction on August 28, 1999. A motion was made by Cooper and seconded by Burroughs to authorize bidding on the lights not to exceed the estimated value. Roll call vote: Cooper yes, Burroughs yes, Bockoven yes, Fortune yes. Motion carried.

Dave Smith - Communications Cost: Prior to '93 the Cities cost was \$1200 per year plus the 911-phone bill. After completion of the Communication Center in '96 discussion to raise costs was considered. From '97 to current the annual increase was \$3600.00. According to the Interlocal Agreement signed by the City of Seward and the County after this 3rd year there was discussion of an increase again. A figure of \$42,000.00 was brought up by the City of Seward. Smith attended several meeting to come up with a way to divide costs equally between the parties involved. Milford over a 5 year period will have an increase of 6%. This annual increase of \$5600.00 will begin with the budget year starting July 1, 2000. The decision was brought about by the percentage of calls of service the Communication Center handled for the City of Milford. Percentage increases for the following years: 2001 - 3%, 2002 - 4%, 2003 - 5% and 2004 – 6%. For the percentage increase, starting this year, the City of Milford will have a position as a voting member on the Agency Board. It would be too expensive to set up our own Communication Center. The current budget for Seward Center is \$316,000.00. It was mentioned that money included in an Interlocal Agreement would not need to be figured into the lid.

<u>Set Budget Work Night date:</u> Figures need to be available prior to the next Council meeting. Budget work night was set for Tuesday, August 17, 1999 7:00 P.M. at the City Hall Office.

<u>Introduction and Adoption of Resolution: Stop Sign Welch Park Rd. & Oak Ave.</u> Rick Fortune introduced the following resolution seconded by Cooper:

RESOLUTION #353

The following resolution was introduced by Fortune, who moved its adoption, seconded by Cooper,

BE IT RESOLVED BY THE MAYOR AND COUNCIL OF THE CITY OF MILFORD, NEBRASKA:

That pursuant to 5-216 of the Municipal Code, the governing body hereby directs the placement and location of a stop sign located on Oak Avenue where it intersects with Welch Park Road.

Upon roll call vote as follows: Fortune yes, Cooper yes, Bockoven yes, Burroughs yes. Motion carried.

Welch Park Road & Oak Ave. Intersection: Cooper noted that there was some concern about the approach which is not hard surfaced at Oak Ave. and Welch Park Road. There is a 15-foot stretch. When talking to the County they indicated that the developers should take care of the intersections. Cooper said that perhaps the city should excavate and put in the asphalt as Welch Park Road will not be having any major repairs before 2007. This needs to be done before school starts. A motion was made by Cooper and seconded by Fortune that the City asphalts this area. Roll call vote: Cooper yes, Fortune yes, Bockoven yes, Burroughs yes. Motion carried.

ADJOURNMENT: A motion was made by Bockoven and seconded by Fortune to adjourn the meeting. Roll call vote: Bockoven yes, Fortune yes, Burroughs yes, Cooper yes. Motion carried and meeting adjourned at 9:27 P.M.

Dean A. Bruha, Mayor

J. Elaine Plessel, City Clerk
