Open Alley-Scott & Kathy Stutzman: Kathy Stutzman was present and informed the Council that in the last couple months she and her husband have been blocked in the alley several times. She noted having to drive on someone's yard to get around a parked car that she did not recognize. She was interested to know where the Council was with this project. Irene

Boshart wondered how the City was going to remove snow. Bosharts have also cleared the dirt pile from the area. Fortune mentioned that 2/3 of the alley is already accessible to individual garages or drive-ways. Blevens was asked about legal procedures and noted 2 different options. Working out an agreement with the family or condemning the property, which is a long process. If petition to condemn, the county would have 3 different appraisers determine the value of the property. Could go to a Jury Trial. It was mentioned to get a local appraiser and make a proposal to purchase the land. Fortune felt that the Council was heading in the right direction towards opening the alley. A motion was made by Fortune and seconded by Bockoven to proceed in attempting to open the alley. Roll call vote: Fortune yes, Bockoven yes, Burroughs yes, Cooper yes. Motion carried.

Revision-Personnel Manual: Bockoven presented Council with revisions to the personnel manual after discussion with Chief of Police Siebken, Maintenance Supt. Mark Frey and City Clerk Jeanne Hoggins. This item will be placed on the October agenda for final review.
