DISCUSS/ACTION- Survey results were distributed and provided for boards information. This was helpful for changing soccer. It was mentioned to use the small field for little kids at the elementary, which was a comment from the survey. May be something to revisit after construction is done. No action was needed.

Registration for summerball is this Friday February 5, 2021. May extend a week or two for kids to get registered. League is planning on a normal season unless something changes for the state rules. Uniforms will look the same as last year. Purple uniforms will not be used since they already had names and numbers printed on the back. Concessions stand is getting a complete remodel. Outside has been painted and SCC is doing the cabinets. Concessions signup will begin in April and will hopefully get slots filled. If not, Marissa will assign slots if needed. No action was needed.

Marissa proposed to move forward with spring soccer. There was no concerns made from the board. Adding Micro soccer for an added age division was proposed. This would only be a 30 minute skills and drills to learn the game. Would be ages 3-4, must be 3 by Dec 1, 2020. Kids must be potty trained and one parent must remain at practice. Age groups would be Micro Soccer, K-1<sup>ST</sup> grade (some kids in PK may be ready for this age group), 2<sup>nd</sup> & 3<sup>rd</sup> grade, and 4<sup>th</sup>-6<sup>th</sup> grade. Registration fee would be \$10 for Micro soccer and \$15 for the rest of the age groups. Will not do team shirts and will have kids wear same color of shirt for the spring season but will go back to team shirts with regular registrations fees in fall. Motion to approve spring soccer plan made by Leslie Toovey. Seconded by Mike Langenberg. Motion carried 6-0.
