Deck work needs done as well; tripping hazard. Panic bars on baby gate will be added. Let guards next year to contact Gary if a manager is not there when the inspector shows up. Need to advertise what time we are actually open until. Consider staying open later once in a while. In spring meeting, consider if we should cap private pool parties or not. Communication to Gary for maintenance issues and board needs improved. Responding to facebook messages related to next year's manager. Lay out clear expectations. Tally sheet wasn't filled out correctly on several occasions. Cash register was used. Radio was too loud. Professionalism in bath house is needed. 1 guard watching the pool is not enough-cant watch deep end and regular pool at the same time. Bathrooms need cleaned better. More accountability from board to managers and staff. The board needs to meet early in year to establish expectations.
