## **NEW BUSINESS:**

- Nancy Buchli; Manager, stated a fan, on one of the furnaces, went out. She contacted Milford A/C Heating to replace the fan.
- Roy cast introduced Denise Boyd, Aging Partners Director, from Lincoln, NE. She spoke to us about the remodeling of the Senior Center. The main idea, for the center, is to give it an inviting environment. There is a need to update the décor and to decide what areas need to be improved. Her final comment was that she felt we are doing the right things for our center.
- Sharon Bender had information about tables and chairs for the basement project. She had prices for 6 foot tables and chairs from Sam's Club; \$49.95 per table, and \$20.00 a piece for armless chairs. The cost for 11 tables total \$149.00. Round tables are priced at \$99.98 each. The basement needs 10 tables. It was also suggested that some art work be placed on one of the walls. This would be done through contact with the Milford school and art students. The board will make recommendations about the tables and chairs, at the April 26<sup>th</sup> board meeting.
